Profile

Adv. Hala Tuma is an associate in our Real Estate practice, specializing in various aspects of real estate.

Adv. Tuma provides legal advice and support to the practice's clients on a wide range of real estate projects and transactions. These include complex deals involving purchasing groups, urban renewal initiatives (such as TAMA 38 and evacuation-reconstruction), combination deals, property sales and acquisitions (both new developments and resale properties), residential and commercial leasing, real estate tenders, and more.

Additionally, Adv. Tuma supports a wide range of complex real estate projects, from the initial stages of the project (acquisition and planning) through to registration with the Land Registry Offices and the Israel Land Authority, alongside handling ongoing various commercial matters.
