

China Desk

Profile

FBC's China Desk offers professional and customized legal services to businesses operating in the Chinese market as well as Chinese entities and individuals operating in Israel.

FBC has considerable experience in commercial transactions involving leading Chinese and Israeli players, and offers its clients a team of highly professional attorneys, who have familiarity with both the Chinese and Israeli markets and regulatory considerations, and are positioned to identify and create business opportunities, assist in bridging the cultural differences, and close deals successfully.
