

Competition & Antitrust

"Arguably 'the leading firm in Israel for competition matters" Legal 500

Profile

FBC has Israel's leading and largest Competition & Antitrust practice. It represents companies on the full spectrum of criminal, administrative and civil antitrust matters, including merger control, abusive behavior, restrictive arrangements and regulation of cartels, monopolies and oligopolies.

FBC's Competition team provides ongoing advice on antitrust compliance, and represents multinational and local companies both in commercial transactions, as well as in class actions and complex litigation before civil courts, criminal courts, the Competition Tribunal and the Israel Competition Authority.

FBC has been ranked consistently by the Global Competition Review as one of the world's 100 leading competition practices and as Israel's premier antitrust firm.
