

# Mergers & Acquisitions

"One of the best commercial firms in Israel, and its 'very professional' lawyers provide 'an excellent service'" Legal 500

## Profile

FBC has one of Israel's leading M&A practices and represents major private and publicly traded companies in many of Israel's largest transactions. Clients include major multinational entities and internationally active private equity funds, as well as leading domestic players.

FBC has consistently strong practices in all areas that are directly involved in M&A transactions, including Tax, Labor Relations, Litigation and Antitrust and has unparalleled expertise, size and scope in complementary areas, such as Real Estate, Insolvency & Restructuring and Life Sciences.

FBC has exceptionally strong contacts with key regulators, including Israel's Securities Authority, Antitrust Authority and Ministry of Communications, and its expertise cuts across a wide range of industry sectors, including banking, pharmaceuticals, automotive, heavy industry, tourism, textiles, communications, infrastructure, financial services, real estate, computers and IT.
